Kolar is a Distt Headquarters
town only. It is but natural
that like other Mills in the State,
it should pray for the privilege
of having an elected President but
on the financial condition of this
Mill is in the same unsatisfactory level for several years
and so fast, it has not improved even under
the Sheriffs, who have not the time required
to be devoted to this work.
I should perhaps be in the future
things of the spirit of the Times to comply
with the request of the Mill to
permit it to have an elected President
without imposing the condition that it should
appoint a chief officer the present
is still favourable

Have all the Dt Head quarter Municipalities in the State been given the privilege of electing their Presidents & if it is so, why should other municipalities be treated differently? Subject - Grant of privilege of electing a Non-Official President to Kolar Municipal Council

Sir,

I have the honour to state that the Town Municipal Council Kolar have resolved in their meeting held on 29/9/1945 that the right of electing their own President under Section 23(1) (2) of Town Municipal Council Act may be conferred on them The Municipal Council whose opinion regarding the appointment of a Chief Officer, was called for. ~~they~~ have resolved, in their meeting held on 28th May 1946 that the appointment of a Chief Officer is not necessary and that the resolution of the Council may be sanctioned The resources of the Municipality do not also admit of the appointment of a Chief Officer

As regards the financial condition of the Municipality, I write to state that while sanctioning the budget estimates of this Municipality for the year 1945-46, Government have observed that "the financial position of the Council has gone from bad to worse Its commitments are very heavy and its responsibilities are very great The Council are also not willing to entertain a Chief Officer It would not be in the interests of the Municipality to concede the right of electing its own President I am however of opinion that the question of granting the request of electing a non-official President to Kolar Municipality may be deferred till the financial position of the Municipality becomes strong The report of the President, Municipal Council and other enclosures accompany

I have the honour to be,
Sir,
Your most obedient servant,

K G Subramaniah
